What went wrong...

- PDP2 # relocation in “Pelekas” + vocational training
- SGS3 # did not implement
- Billateral # did not implement
- SGS 1 # Group of Actions 2 Roma Organizations capacity building

Some main Lessons Learned

- Tailor made approaches ≠ one fits for all
- Building strong local collaborative relationships - working with the community, local organizations, community leaders, and stakeholders = understanding better community needs, gaining trust, ensuring effective implementation
- Early and comprehensive planning, with stakeholder participation
- Focus on sustainability, involvement of institutional bodies
- Regular feedback and adaptation of the programs to better meet the needs of the community
